|-----------------------------|--|
| <input type="checkbox"/> 1. | WORK TO BE DONE |
| | I understand that I am having the following work done: <input type="checkbox"/> Fillings <input type="checkbox"/> Bridges <input type="checkbox"/> Crowns <input type="checkbox"/> Extractions <input type="checkbox"/> Impacted teeth removed <input type="checkbox"/> General Anesthesia <input type="checkbox"/> Root Canal(s) <input type="checkbox"/> Other _____ |
| <input type="checkbox"/> 2. | DRUGS AND MEDICATIONS |
| | I understand that antibiotics, analgesics and other medications can cause allergic reactions causing redness and swelling of tissues, pain, itching, vomiting and/or anaphylactic shock (severe allergic reaction). |
| <input type="checkbox"/> 3. | CHANGES IN TREATMENT PLAN |
| | I understand that during treatment it may be necessary to change or add procedures because of conditions found while working on the teeth that were not discovered during examination, the most common being root canal therapy following routine restorative procedures. I give my permission to the Dentist to make any/all changed and additions as necessary. |
| <input type="checkbox"/> 4. | REMOVAL OF TEETH |
| | Alternative of removal have been explained to me (root canal therapy, crowns, periodontal surgery, etc.) and I authorize the Dentist to remove the following teeth and any others necessary for reasons explained in section #3. I understand removing the teeth does not always remove all the infection, if present, and it may be necessary to have further treatment. I understand the risks involved in having teeth removed, some of which are pain, swelling, spread of infection, dry socket, loss of feeling in my teeth, lips, tongue and surrounding tissue (paresthesia) that can last for an indefinite period of time (days or months), or fractured jaw. I understand that I may need further treatment by a specialist or even hospitalization if complications arise during or following treatment, the cost of which is my responsibility. |
| <input type="checkbox"/> 5. | CROWNS, BRIDGES, AND CAPS |
| | I understand that sometimes it is not possible to match the color of natural teeth exactly with artificial teeth. I further understand that I may be wearing temporary crowns, which may come off easily and that I must be careful to ensure that they are kept on until the permanent crowns are delivered. I realize the final opportunity to make changes in my new crown, bridge or cap (including shape, fit, size and color) will be before cementation. |
| <input type="checkbox"/> 6. | DENTURES, COMPLETE OR PARTIAL |
| | I realize that full or partial dentures are artificial, constructed of plastic, metal, and/or porcelain. The problems of wearing these appliances have been explained to me, including looseness, soreness and possible breakage. I realize the final opportunity to make changes in my new dentures (including shape, size, placement and color) will be the "teeth in wax" try-in visit. I understand that most dentures require relining approximately three to twelve months after initial placement. The cost for this procedure is not included in the initial denture fee. |
| <input type="checkbox"/> 7. | ENDODONTIC TREATMENT (ROOT CANAL) |
| | I realize there is no guarantee that root canal treatment will save my tooth, and that complications can occur from the treatment and that occasionally metal objects are cemented in the tooth or extend through the root, which does not necessarily affect the success of the treatment. I understand that occasionally additional surgical procedures may be necessary following root canal treatment (apicoectomy). |
| <input type="checkbox"/> 8. | PERIODONTAL LOSS (TISSUE & BONE) |
| | I understand that I have a serious condition, causing gum and bone infection or loss and that it can lead to the loss of my teeth. Alternative treatment plans have been explained to me, including gum surgery, replacements and/or extractions. I understand that undertaking any dental procedure may have a future adverse effect on my periodontal condition. |

I understand that dentistry is not an exact science and that, therefore, reputable practitioners can not fully guarantee results. I acknowledge that no guarantee or assurance has been made by anyone regarding the dental treatment which I have requested and authorized. I have had the opportunity to read this form and ask questions. My questions have been answered to my satisfaction. I consent to the proposed treatment.

MINORS ACCOMPANIED BY AN ADULT

The adult accompanying a minor, his/her parents or guardians, are responsible for full payment at time of service.

UNACCOMPANIED MINORS

INSURANCE

Cosmic Smiles Family Dentistry provides insurance company billing as a courtesy to our patients. The patient portion of particular dental service(s) is estimated and due at the time of service. This amount may be subject to adjustment when the dental service(s) claim(s) are adjudicated by the insurance company. In addition, certain insurance companies have annual limitation for the amount of dental services that can be reimbursed within each plan year. If you or your family exceed these annual limitations in any plan year, you will be responsible for the full amount of dental services that exceed the particular plan's limitations. The patient is responsible for monitoring the amount of his/her remaining benefits for any annual benefit period. The patient may not rely upon any information provided by Cosmic Smiles Family Dentistry staff regarding his/her remaining benefit in any such benefit period.

The claims we submit to insurance companies indicate that you have assigned those benefits to Cosmic Smiles Family Dentistry. However, if you are paid by the insurance company instead of Cosmic Smiles Family Dentistry, you then become responsible for the total account balance and payment would be expected immediately.

If you or your family has more than one dental insurance program, we will assist you in obtaining the maximum benefits available.

You as a patient are always responsible for any charges that are not covered by your insurance.

MEDICARE/MEDICAID/CHAMPUS/WORKER'S COMPENSATION

If you are covered by Medicare, Medicaid, Champus, Worker's Compensation or any other government sponsored program, please discuss your payment situation with our office staff prior to date of service.

DELIQUENT PAYMENTS

It is our policy to charge finance fees at 1.5% for outstanding patient balances after the balance has been outstanding 30 days. In addition, all payments returned due to non-sufficient funds will be subject to a NSF fee of \$25.00.

MISSED APPOINTMENTS

Unless cancelled at least 2 business days in advance, our policy is to charge \$100.00 for missed appointments. Please help us service you better by keeping scheduled appointments.

Thank you for understanding our Financial Policy. Please let us know if you have any questions or concerns.
